

ANNUAL REPORT 2021

GABRIEL'S HOUSE

TEN YEARS AGO, GABRIEL'S HOUSE BEGAN with a few generous donors and by invitation of the City of Oxnard. Since then, we have served thousands of women and children in Ventura County as they faced some of the fiercest storms of life.

We've seen so many miracles, so many blessings, and so many lives moving forward into lasting growth and change! As a friend of Gabriel's House, you've been on this journey with us.

If you've been with us long, you know that homeless people don't fit stereotypes. Instead, these women and their children come from all socio-economic backgrounds. Some are victims of domestic violence and financial crisis, while others have struggled with drug or alcohol abuse. But all the women who come to us are determined to change the course of their lives. It's your generosity that makes change possible. It's your compassion that allows us to provide an array of services and encouragement—from employment coaching to life-skills training.

Thank you for standing with us financially in 2021 and in the years to come. Please let this Annual Report serve as a reminder of how your gifts have made a remarkable difference in the lives of homeless women and their children.

God bless you,

Financial information

From the time my Family came to Gabriel's House, we were welcomed in like Family. I was able to open up. Prior to that I felt like a hermit—all closed up.
