GABRIEL'S
HOUSE
A PLACE OF *Hope*

PROGRAM OF THE KINGDOM CENTER

EVERY WOMAN AND CHILD IS SPECIAL AND UNIQUE. As residents enter Gabriel's House with a host of worries, concerns, and heartaches, we wrap them in the safety and protection of a real home. Here they can begin their journey to health and wholeness. In our residential setting, our compassionate staff guides women on a step-by-step path to independent living, while sharing with them the love and hope of Jesus Christ.

Sandra and her two daughters came to us in 2022 and discovered a whole new life. Sandra came to faith in Christ while at Gabriel's House and was baptized. Her children and her reflect the love of Jesus! It has been thrilling to see the joy they exude as they experience God's daily grace. Sandra continues to excel at her job, while Neveah and Ivy enjoy learning at school. Sandra's boss showed his support by sponsoring a table at the 2022 Harvest of Lights event to help raise funds for Gabriel's House! We are so grateful for employers like him! Recently, Sandra and girls moved into a home of their own and they are deeply missed. They will always be a special part of the Gabriel's House family.

Thank you for standing with us financially through all the opportunities and challenges of 2022. As we emerged from the long Covid season, we found individuals, churches, businesses, and foundations ready to re-engage, willing to give more than ever! We are so grateful!

Please let this Annual Report serve as a reminder of how your gifts have changed the lives of once homeless women and their children, giving them faith, hope and love!

God bless you for your generosity,

LAURA'S STORY

Laura was in an unhealthy, abusive marriage for about 20 years when she finally broke free. She was estranged from family and friends. She had nowhere to go, until she heard about Gabriel's House.

Entering Gabriel's House in 2021 and putting her faith in Jesus Christ, Laura's life opened up to remarkable possibilities! She began to work a transit job, and later enrolled in fire science classes at Oxnard City College. Her enthusiasm and high marks drew the attention of her teacher, who recommended her for a scholarship with the Southern California Fire Prevention Officers Group. At this organization's 2022 Christmas luncheon, Laura was awarded her scholarship.

Pictured below, Laura (middle) is flanked by the organization's president, Huntington Beach Fire Marshall Janice Van Mullen (left), and Gabriel's House Director of Development Yvonne Noblitt.

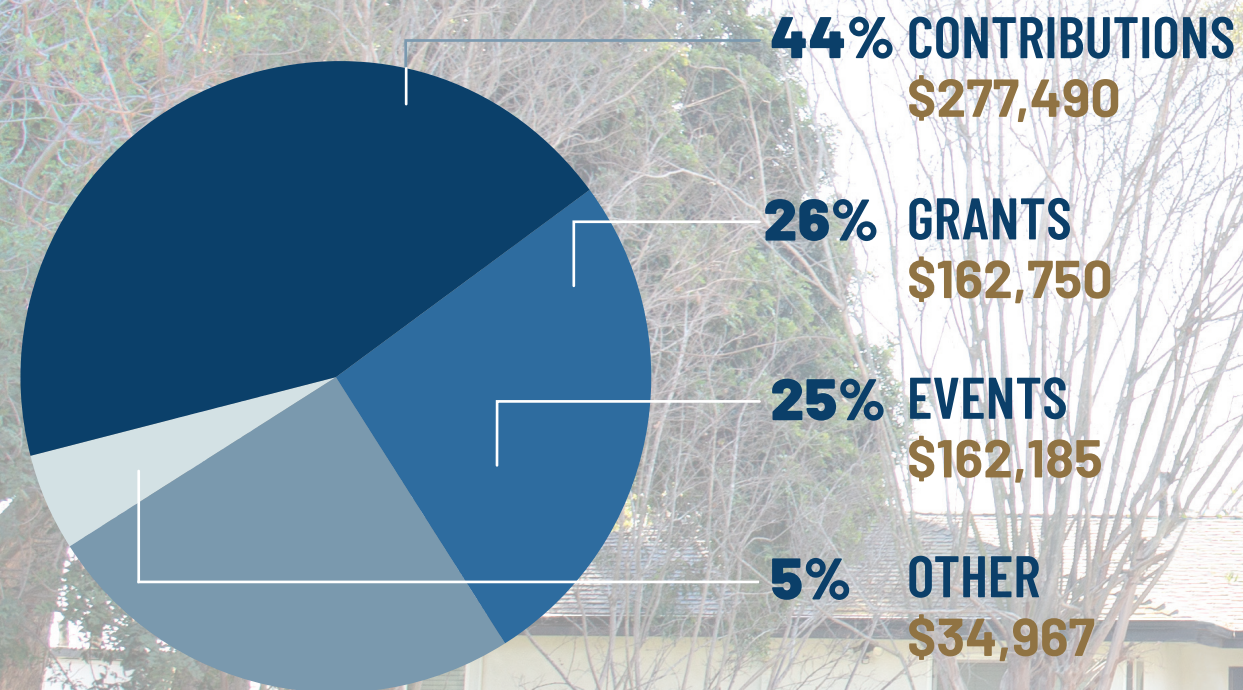

Laura continues to achieve high marks as she trains to become a Ventura County fire inspector. Today, Laura has a home of her own, but stays connected to Gabriel's House. We love seeing her thrive and grow!

Before, I got here I felt very alone. Now with the help of Gabriel's House, I have a job and I'm working to get my children back. Honestly, I found a refuge here. -Sarah
